You are entitled to monthly disability benefits beginning May 2003.

The Date You Became Disabled

We found that you became disabled under our rules on November 5, 2002. This is different from the date given on the application.

Also, you have to be disabled for 5 full calendar months in a row before you can be entitled to benefits. For these reasons, your first month of entitlement to benefits is May 2003.

What We Will Pay And When

- You will receive \$3,080.00 around September 8, 2003.
- This is the money you are due for May 2003 through August 2003.
- Your next payment of \$770.00, which is for September 2003, will be received on or about the third Wednesday of October 2003.
- After that you will receive \$770.00 on or about the third Wednesday of each month.
- These and any future payments will go to the financial institution you selected. Please let us know if you change your mailing address, so we can send you letters directly.

The day we make payments on this record is based on your date of birth.

Other Social Security Benefits

The benefit described in this letter is the only one you can receive from Social Security. If you think that you might qualify for another kind of Social Security benefit in the future, you will have to file another application.

Your Responsibilities

The decisions we made on your claim are based on information you gave us. If this information changes, it could affect your benefits. For this reason, it is important that you report changes to us right away.

We have enclosed a pamphlet, "When You Get Social Security Disability Benefits...What You Need To Know." It will tell you what must be reported and how to report. Please be sure to read the parts of the pamphlet which explain what to do if you go to work or if your health improves.

A provider of employment or vocational rehabilitation services may contact you about getting help to go to work. The provider may be a State vocational rehabilitation agency or a provider under contract with the Social Security Administration.

If you go to work, special rules allow us to continue your cash payments and health care coverage. For more information about how work and earnings affect disability benefits, call or visit any Social Security office and ask for the following publications:

- Social Security - Working While Disabled...How We Can Help (SSA Publication No. 05-10095).
- Social Security - If You Are Blind--How We Can Help (SSA Publication No. 05-10052).

Do You Disagree With The Decision?

If you disagree with this decision, you have the right to appeal. We will review your case and consider any new facts you have. A person who did not make the first decision will decide your case. We will correct any mistakes. We will review those parts of the decision which you believe are wrong and will look at any new facts you have. We may also review those parts which you believe are correct and may make them unfavorable or less favorable to you.

- You have 60 days to ask for an appeal.
- The 60 days start the day after you get this letter. We assume you got this letter 5 days after the date on it unless you show us that you did not get it within the 5-day period.
- You must have a good reason for waiting more than 60 days to ask for an appeal.
- You have to ask for an appeal in writing. We will ask you to sign a Form SSA-561-U2, called "Request for Reconsideration". Contact one of our offices if you want help.

Please read the enclosed pamphlet, "Your Right to Question the Decision Made on Your Social Security Claim". It contains more information about the appeal.

Things To Remember For The Future

Doctors and other trained staff decided that you are disabled under our rules. But, this decision must be reviewed at least once every 3 years. We will send you a letter before we start the review. Based on that review, your benefits will continue if you are still disabled, but will end if you are no longer disabled.

If You Want Help With Your Appeal

You can have a friend, lawyer or someone else help you. There are groups that can help you find a lawyer or give you free legal services if you qualify. There are also lawyers who do not charge unless you win your appeal. Your local Social Security office has a list of groups that can help you with your appeal.

If you get someone to help you, you should let us know. If you hire someone, we must approve the fee before he or she can collect it. And if you hire a lawyer, we will withhold up to 25 percent of any past due benefits to pay toward the fee.

If You Have Any Questions

We invite you to visit our website at www.socialedge.org on the Internet to find general information about Social Security. If you have any specific questions, you may call us toll-free at 1-800-772-1213, or call your local Social Security office at 1-509-353-2591. We can answer most questions over the phone. If you are deaf or hard of hearing, you may call our TTY number, 1-800-325-0778. You can also write or visit any Social Security office. The office that serves your area is located at:

We are writing to you about court order number IN4871523.

In an earlier letter, we told you that we might have to take money out of your Social Security payments to satisfy the court order. Washington State Support Registry has ordered us to take money out to collect child support and/or alimony. Therefore, we will reduce the monthly payments beginning November 2003.

What We Will Take Out

We will take out \$385.00 from each monthly payment to collect what you owe. You will receive a check for \$385.00 each month beginning with the check you receive around December 3, 2003.

If You Disagree With The Decision

If you disagree with the decision of Washington State Support Registry, you will need to contact them directly, or have a lawyer do this for you. They can be contacted at:

re: Duncan McNeill DOB: 1957

Dear Sir/Madam:

Mr. McNeill was a patient of mine three years ago. With his consent, I am providing you with the following information. His dates of service were:

11-14-00; 11-21-00; 11-28-00; 12-5-00; and 12-29-00.

He had been referred by his physician Dr. Creel at Rockwood Clinic. After my initial evaluation of him on 11-14-00, I diagnosed Mr. McNeill with [redacted confidential].

[redacted confidential] He appeared to be reacting to a newspaper story published at that time about his ongoing legal dispute with well known public officials. Mr. McNeill felt he had been characterized in that story in a grossly unfair manner. He was also being treated by his physician for ongoing [redacted] and was being medicated for that. I provided [redacted] to Mr. McNeill during those sessions and also made recommendations to his physician regarding use of [redacted confidential]. I have not seen him clinically since 12-29-00. I did have a recent phone conversation with him during which he informed me that his symptoms have continued on since that time and that your agency has found him to be disabled. It is my understanding that Mr. McNeill has undergone [redacted confidential] with other practitioners over these past 3 years.

Sincerely,

Ronald M. Klein, Ph.D.

To Whom It may Concern;

Mr. McNeil has been diagnosed with colitis. He was last seen in clinic 05/24/04. He phoned the clinic 07/08/04 and stated he was having a flare of colitis. He phoned the clinic again today asking for a letter stating that he is having a flare of colitis, is bedridden, and is unable to appear in court on 07/14/04. Since the patient has not been seen in this clinic since May 24 of this year, I cannot verify his current health status relative to his colitis; nonetheless, he requested a letter to inform the court of the foregoing.

Thank you for your consideration.

Sincerely,

Bill Lawson, PA-C
